

**Notice of Rescission for: Title X Family Planning Services  
Request for Proposal #58817005  
August 3, 2016**

Effective immediately, the Iowa Department of Public Health (IDPH) is rescinding/canceling Request for Proposal (RFP) # 58817005 (IowaGrants Funding Opportunity (FO) #170131). Applications started or submitted in IowaGrants.gov in response to RFP 58817005 (Funding Opportunity (FO) #170131) will not be reviewed in response to this Funding Opportunity.

This action is taken pursuant to the RFP Section 1.16(A) which states:

**“1.16 Rejection of Applications/Cancellation of the RFP**

- A. IDPH reserves the right to reject, in whole or in part, any or all applications, to advertise for new applications, to arrange to receive or itself perform the services herein, to abandon the need for such services, and to cancel this RFP if it is in the best interests of IDPH....”

This rescission is necessary to clarify the language in section 1.10 about withdrawing applications.

IDPH intends to re-issue a Request for Proposal for the Title X Family Planning Services within the next week. The RFP number for the reposting will be 58817012 and the resubmission time frames will be shortened.

If you wish to be considered for funding under the State's Title X Family Planning Services program, you must re-apply under the RFP #58817012 reposting. All applications completed and submitted under the repost must be in compliance with the terms and conditions listed in the new RFP 58817012 documents.

Please note that you may copy your previously started or submitted application within IowaGrants.gov. For general instructions on completing applications in IowaGrants, as well as copying previously created applications, refer to the 'IDPH Application Instruction Guidance' that will be posted with the new RFP/Funding Opportunity in IowaGrants.

Once the new RFP/Funding Opportunity is posted in IowaGrants.gov:

- Registered Users login to [www.iowaGrants.gov](http://www.iowaGrants.gov) as a returning user;
- Search Funding Opportunities;
- Select this (new) Funding Opportunity;
- Click on 'Copy Existing Application';
- Select the application that you want to copy by marking it under the 'Copy' column (Note: all applications whether in editing, submitted or withdrawn status will be displayed to be copied);
- Click the 'Save' button.

The application that was copied will be open in the new funding opportunity. Be sure to re-title the application if necessary by going into the General Information form and editing it. Then you may continue to modify/update any application form to meet the RFP 58817012 requirements.
